

## ME 228

### Course project Submission guidelines

**Only one submission per team is required.** Please submit all materials through Moodle by **04/05/2024**.

#### Requirements:

1. **Presentation Video Recording:** (Provide the Google Drive link)
  - a. All team members must participate in the video presentation.
  - b. The video length should be at most **5 minutes**.
  - c. Please ensure clear audio and visuals.
  - d. Show your code execution (clip the training part if it takes more time)
2. **Presentation Slides (Report):**
  - a. Include your presentation slides in PDF format as part of the submission.
  - b. Mention all team member roll numbers.
  - c. There is no need to submit a separate project report.
3. **Code File:**
  - a. Submit your code as a Jupyter Notebook file (.ipynb) without any execution errors.
  - b. Include the data set used
4. **Supporting Documents (Optional):** If you have any additional documents relevant to your project (e.g., figures, supplementary code), you can submit them as a single zipped file.
